

Women

From Forty-Five to Fifty Are Much Benefited
by
Lydia E. Pinkham's Vegetable Compound.

The "change of life" is a most critical period in a woman's existence, and the anxiety felt by women as it draws near is not without reason.

When her system is in a deranged condition, she may be predisposed to apoplexy, or congestion of some organ. At this time, also, cancers and tumors are more liable to form and begin their destructive work.

Such warning symptoms as sense of suffocation, hot flashes, headaches, backaches, dread of impending evil, timidity, sounds in the ears, palpitation of the heart, sparks before the eyes, irregularities, constipation, variable appetite, weakness and inquietude, and dizziness, are promptly heeded by intelligent women who are approaching the period in life when woman's great change may be expected.

These symptoms are calls from nature for help. The nerves are crying out for assistance and the cry should be heeded in time.

Lydia E. Pinkham's Vegetable Compound is prepared to meet the needs of women's system at this trying period of her life. It invigorates and strengthens the female organism and builds up the weakened nervous system. It has carried many women safely through this crisis.

Mrs. Estella Gillispie

ONE CASE OUT OF MANY TO PROVE OUR CLAIMS.

St. Anne, Ill.—"I was passing through the change of life and I was a perfect wreck from female troubles. I had a displacement and bearing down pains, weak fainting spells, dizziness, then numb and cold feelings. Sometimes my feet and limbs were swollen. I was irregular and had so much backache and headache, was nervous, irritable and was despondent. Sometimes my appetite was good but more often it was not. My kidneys troubled me at times and I could walk only a short distance.

"I saw your advertisement in a paper and took Lydia E. Pinkham's Vegetable Compound, and I was helped from the first. At the end of two months the swelling had gone down, I was relieved of pain, and could walk with ease. I continued with the medicine and now I do almost all my housework. I know your medicine has saved me from the grave and I am willing for you to publish anything I write to you, for the good of others."—Mrs. ESTELLA GILLISPIE, R.F.D. YE LIBERTY TALENT IS THE FINEST

The popularity of the Liberty Theater is assured and has been from the start of the big playhouse for the reason that the best in the line of vaudeville has been engaged. Now comes the Jourdan Operatic Quartet, which appeared at this theater last night for the first time. Although Hawaii is a country of song and music, these new singers have some selections that make the best of the local singers sit up and observe. This operatic quartet now singing at the Liberty is certainly the grandest in that line of entertainment that has ever come to Hawaii, and the applause that greeted their singing last night shows that they have jumped right into favor on the start. This is the class of vaudeville that this city has been looking for, and they are emphasizing it by the way this new theater is being filled each evening.

The Mortimers are still factors in the unbounded success that is attending the Liberty Theater, and their turn is a pleasant part of a good bill. Daisy Dean and Weil get in some wonderful dancing. And through it all is scattered a number of films or scenes that have been made familiar through history.

Bijou's Bill is Good.

The Bijou is putting on one of the best bills of vaudeville that has ever been presented to the public at the playhouses of this city. New talent arrived by the last boat from the Coast, and no time was lost in getting it before the public. Athon & Johnson are certainly a team to capture the applause when it comes to entertaining such crowds as get into the Bijou twice a night. The act of this pair during the first of the week paved the way to popularity for them, and it is whispered that the sketch for the week-end will put it all over anything ever seen here in that line. There is something promised in the way of electrical effects that will be worth seeing.

The Doric Trio will have a new list of songs that will catch the fancy, and Billie Rader will sing songs that you can understand.

The Empire.

The Heyman Sisters at the Empire will go through a change of program tonight that will be fully as pleasing as the one of the first part of the week. At the Empire there is being shown a series of moving pictures that is worth seeing. The pictures are clear and entertaining.

Hell at the Savoy.

At the Savoy there is being shown one of the greatest series of moving pictures that has ever been brought to this Territory. It is a depicting, with vivid situations, of all the scenes referred to in Dante's "Inferno." There are five reels in the series, and the whole performance is devoted to the pictures which represent a trip through hell (or, let's say Hades—it sounds better). The different degrees and kinds of punishment as handed out to those who committed crime here on earth are most clearly shown. It is stated that it cost over \$100,000 to produce the series, and one can not doubt it when looking upon some of the scenes that are thrown on the screen.

The Savoy was crowded to the doors at each performance last night, and one must go early to get a seat where the best view can be had.

RECITAL PROMISES TO BE A MUSICAL TREAT

The recital of the people of Miss Margaret E. Clarke, to be given Saturday evening, March 2, in Chas. R. Bishop Hall, Punahou, offers something unique. The program illustrates the development of the form of dance music. The form will be briefly explained and then illustrated by the playing of the best selections from it. The program will attract not only because of the music but also because of the historical information which it will have. The program is given below:
